

See where vision can take you

We have a unique perspective on vision insurance benefits – it’s through the eyes of our members. We anticipate what members need, offer benefits that deliver savings on eyecare and eyewear and create a personalized experience they’ll love. Why? Because every moment is an opportunity to help our members see life to the fullest.

BENEFITS

Our benefits are custom crafted to prioritize flexibility and value. All while making vision technology affordable so members can see their full potential.

- Our leading benefits offer significantly **higher allowances on smart frames and hearing frames**¹
- **\$0 eye exam** and an **additional \$50 added to every allowance** when members visit a PLUS Provider²
- **Member-only special offers and discounts** that are stackable with insured benefits for deeper savings³
- Wellness programs with **exam reminders** and **at-risk mailers** to help keep members healthy

NETWORK

Our carefully curated network delivers vision care designed for choice, convenience and the possibilities of what’s next.

- The network with **the most doctors of any vision plan**⁴
- The right mix of providers with **independent, retail and online options**. There’s a provider perfect for every person
- **The most online options for glasses and contacts** with over 28,000 frame choices, virtual try-on and benefits applied directly in the shopping cart.⁵
- Eye care and eyewear directly to your facility with our **Pop-Up Clinics**⁶

EXPERIENCE

Our personalized and transparent experience makes our innovative benefits a joy to use. With support every step of the way.

- **Personalized experience** meets members where they are with the information they need
- **Printed welcome kits and ID cards** ensure employees understand their benefits
- **Digital member resources** like our website, industry-leading mobile app,⁷ provider search, online appointment scheduling and text alerts make benefits simple and seamless
- **Transparency tools** estimate costs and savings before a visit
