EYE360 – ENHANCED BENEFITS

Members get more and save more with Eye360[1,2]

Our members are at the center of everything we do. So, when they told us they wanted extra savings on exams, glasses and contacts, we saw an opportunity to redefine value and convenience with Eye360.

HOW IT WORKS

With Eye360, members receive the following enhancements – on top of their base vision insurance benefit:

- $0 copay eye exam
- $50 added to the frame allowance[3]
- $50 added to the contact lens allowance[3]
- $100 second pair glasses benefit[4] (applied after our industry-leading 40% off second pair of glasses discount[5])

MORE VALUE, MORE SAVINGS AT PLUS PROVIDERS

Eye360 adds up to eye-opening savings – up to 90% versus retail on an eye exam and glasses or contacts.[2]

All of these extras are available when members visit a PLUS Provider – a select group of over 6,500 providers in the EyeMed network.

Best of all, we keep saving simple with no paperwork or promo codes – it's built right into the plan.
