

# Preventing injuries, protecting eyes

Workplace eye injuries are responsible for over 27,000 lost work days, costing an estimated \$300 million annually in medical bills, compensation and lost productivity.<sup>1</sup>

And that's where we come in. Our safety insurance benefit is an easy, affordable way for your employees to get prescription eye protection that meets or exceeds standards set by the American National Standards Institute (ANSI) to help them stay safe on the job.

## SAFETY FRAMES

- Safety frames that meet or exceed ANSI standards available in a wide variety of the latest styles and colors
- Flexible in-network allowance options with most frames covered in full, member pays 80% of the remaining balance

## PRESCRIPTION LENSES

- Fully covered base safety lens, with or without copay

## EASY ACCESS

- Access to America's largest vision care network<sup>2</sup>, offering convenient evening and weekend hours
- Online provider lookup and eligibility check
- Local providers who have sample safety frames for try-on
- Same-day turnaround available at many locations
- Get in-network, online access to safety frames at Glasses.com
  - Simply select "EyeMed-Safety" in the vision carrier field to apply your insurance benefits
