EYEREWARDS

Your employees deserve to be rewarded

It's a fact – eye doctors are likely to spot signs of chronic conditions like hypertension, high cholesterol and diabetes before other health care providers.[1] So it makes sense that vision care should be an integral part of your workplace wellness program.

With the new eyeRewards program from EyeMed, employees can get rewarded for taking care of their vision and their health. Savings, prizes, wellness tips – they get it all, just for opting in to emails on Member Web.

WHEN EMPLOYEES ARE PART OF EYEREWARDS, ALL KINDS OF PERKS SHOW UP IN THEIR INBOX

- Extra savings at retailers like Sunglass Hut after they get an eye exam[2]
- A chance to win prizes for completing wellness quizzes and surveys
- Fun, bite-sized tips for taking care of their vision and their health

EYEREWARDS IS PART OF HEALTHYEYES

Online, on-site and in the mail, HealthyEyes goes beyond eye health to promote overall employee health and wellness.

When your employees sign up for eyeRewards, they get rewarded

Employees get $25 off any purchase at Sunglass Hut after getting an eye exam.*

Or $50 off after getting an eye exam at a PLUS Provider.

[1]Mukamal, R.; "20 Surprising Health Problems an Eye Exam Can Catch"; American Association of Optometry; .aao.org; April 17, 2025. [2]Offers are not valid in the State of Texas or in Louisiana.

*After an eye exam, an employee will need to log into their member account to get their offer code and full details and exclusions. PLUS Providers not available in all states including Louisiana.
