DISCOVER THE EYEMED EXPERIENCE

Experience EyeMed

We have a unique perspective on vision benefits – it's through the eyes of our members. We listen, stay curious and connect the dots, creating a vision benefits experience members actually love using.

We built **America's largest vision network¹**, so members have choice and convenience. We craft **custom vision plans** that prioritize flexibility and value. And we create a **member experience** focused on simplicity and transparency. Why do all this? Because every moment is an opportunity to help our members see life to the fullest.

¹Based on unique providers and unique locations. EyeMed Insight network data and analysis of competitors' largest networks via competitor data, Spring 2024.

Find an eye doctor

Search by location Search by doctor

Network: Choose your network USE MY LOCATION Zip code: 04

Search for an eye doctor

Here are a few tips to get you started:

- Choose your vision network from the drop down. Don't know your network? No problem. Select "Search Now" and we'll find eye doctors on our preferred network. Advantage. Or, log into MemberZone for your benefit plan and network details.
- Enter either your 5-digit zip code or select "Use my location". We'll take it from there.

In-network providers

Shopping while streaming

When your employees find that perfect pair of frames online, they'll be amazed at how much they'll save – and how easy it is to use their benefits.

When EyeMed members visit one of our online in-network providers, they enjoy a seamless shopping experience while saving big. Their benefits are instantly applied at checkout. And verifying a prescription is as easy as snapping a pic. Free shipping and returns are the cherry on top.

**MEMBERS ASKED,
WE ANSWERED.** We're setting the standard by building one of the largest online networks

EyeMed knows
what your
employees
actually want
and need.

That's important.

We build a
benefits plan
that drives
utilization with
no pesky
restrictions.

Building benefits to your specs

Your employees can't help but share how excited they are to use their EyeMed benefits. It might sound surprising, but it's not an accident. That's because we look at the data from our nearly 85 million members and craft a vision plan that matches what your employees actually want and need. No one-size-fits all vision plans here.

97%
of members
are happy with
their benefits¹

USAGE + SAVINGS = VALUE

We believe benefits are meant to be used. So, we tailor vision plans to drive up utilization, drive down out-of-pocket-costs and create the most value.

what I want and need

BENEFITS

Choosing what matters to you

Each of your employees has a unique style all their own, and that includes eyewear. You start to wonder... will your vision benefits keep up? With EyeMed, there is no doubt. Members have complete freedom of choice: whatever works – or looks – best.

And we take out the guesswork with our Know Before You Go tool. It's a savvy shopping companion that helps members estimate out-of-pocket costs before their next visit.

More savings in sight with Eye360

Everyone wants to control costs these days. So, when members told us they needed to save more on exams, frames and contacts, we listened, went to work and created Eye360.¹

Eye360 is an enhanced insurance benefits package that gives members \$0 eye exams, \$50 added to their frame allowance and \$50 added to their contact lens allowance. Plus a \$100 second pair benefit.² They get all these extra benefits by just visiting one of our thousands of PLUS Providers. Pretty cool, right?

LOOK FOR THE PLUS SIGN

Members can find a nearby PLUS Provider  in a snap using our online Provider Locator

Exclusive special offers and discounts can be used on top of Eye360 benefits³

¹Member access to PLUS Providers is only available in conjunction with the Eye360 product and is not available in all states. Eye360 benefits not available in the State of Texas. ²Additional prescription glasses allowance is for prescription glasses only and can be used on frame and/or lenses, with or without lens options. ³Discounts are not insured benefits. Special offers not available in the State of Texas. Fully insured clients are underwritten by: Fidelity Security Life Insurance Company®, Kansas City, MO 64111 and Fidelity Security Life Insurance Company® of New York.

EXPERIENCE

I've got support with my vision
every step of the way

Taking charge of vision health

At work and at home, your employees have a lot on their plate. So when they're searching for information about their vision benefits, our member experience makes it easy to find exactly what they're looking for.

We're with our members every step of the way – ready with answers and solutions before their question is even asked.

98%

of clients agree our benefits
are easy to understand and
simple to use¹

WE'VE GOT YOUR BACK

Vision benefits should be easy to understand and even easier to use. Because employees who use their benefits are healthier, happier and get the most value.

¹Based on 1,293 respondents, T3B Strategic & National client segment, 98% of clients responding to the EyeMed Client Satisfaction (CSAT) Survey conducted by Walker Information, 2024.

I look forward to using my vision benefits – it's a great experience
