

Seeing members through natural disasters

EyeMed Cares Disaster Relief Replacement Program¹ supports members affected by natural disasters so they can focus on what's important – getting back on their feet.

Through EyeMed Cares, impacted members can call our dedicated toll-free line where a skilled representative can provide details on the following program:

Replacement glasses

Members experiencing loss due to a natural disaster² can enroll in the EyeMed Cares program and receive a \$0 eye exam, \$0 lenses³ and up to \$150 toward the cost of a new frame.

FOR THOSE EMPLOYEES WHO HAVE NOT ENROLLED IN VISION

We also understand the need for immediate assistance may extend beyond members. Employees in affected areas who are not EyeMed members and need financial assistance to obtain eyewear, can reach out to the OneSight EssilorLuxottica Foundation at support@onesight.org to learn more. The Foundation works to eliminate uncorrected poor vision in a generation. For more information about the Foundation, visit onesight.essilorluxottica.com.

Seeing life to the fullest means helping our members during the good and the bad – and that means even during a devastating natural disaster. EyeMed is there for members when it matters most.
